**AIGUES-MORTES**  
*Destination Emotions*

# WELCOME TO AIGUES-MORTES...

*A destination filled with unforgettable emotions*

A one-of-a-kind city where every step draws you into a living epic. Nestled in the heart of the Camargue, our medieval town seems suspended in time, framed by majestic ramparts and boundless horizons.

Let yourself be enchanted by the briny scent of the salt marshes, the gentle lapping of the canals, and the captivating spectacle of pink flamingos. Here, unspoiled wilderness provides a haven of serenity — an invitation to slow down and reconnect with what truly matters.

Discover the medieval city, wander through cobbled streets where history awaits at every turn, explore the majestic ramparts, and be captivated by truly breathtaking views

Drift along the waterways aboard a barge, share a warm and authentic moment at a traditional manade, or admire a breathtaking sunset — Aigues-Mortes, a destination that awakens the senses and leaves unforgettable memories.

Ready to create your own adventure in this one-of-a-kind city? Explore our group brochure to plan your itinerary and book your visits!

The Templar Treasure Hunt

Another legend tells that the Templars also hid their riches in the heart of Aigues-Mortes. This journey plunges you into the mysterious universe of these knights and invites you to explore every nook and cranny of the fortified city to uncover their secrets.

Rate: 3 € per reward

Recommended age: 6-8 years

Support: paper booklet

Playing time: 1h30

The Treasure Hunt of the Knights

Upon their return from the crusades, the knights of Saint Louis are said to have hidden a precious treasure in the city. Even today, he remains untraceable... except for those who will know how to decipher the enigmas and take up the challenges left in their path.

Rate: 3 € per reward

Recommended age: 9-12 years

Support: paper booklet

Playing time: 1h30

The Curse of Gaspard

Go on an adventure with La Malédiction de Gaspard, a digital treasure hunt to experience with family or friends, directly from your smartphone. Designed for groups of up to five players, this interactive course immerses you in the mysterious universe of Aigues-Mortes, through its alleys full of history. Your mission: help Gaspard, an enigmatic character, to lift a strange curse. To achieve this, you will need to solve puzzles, observe the details of the fortified city, and demonstrate logic and cooperation.

Price: 8 € per session

Recommended age: from 12 years old

Support: game to be played on a smartphone

Playing time: 1h30

An immersive experience to share in full autonomy, for the curious and lovers of mysterious stories.

Cryptors in the City

Through an urban route, you will discover artistic ceramic plates installed on emblematic buildings and places of the city. The plaques representing animals, symbols or emblematic characters, in connection with the history, culture and landscape of Aigues-Mortes. Thanks to the mobile application, you scan the plates to "capture" the Cryptors and engage in an interaction mixing historical facts, anecdotes and unusual stories.

Price: application Cryptors in the City available for free on App Store and Google Play.

Recommended age: for young and old

Support: game to be played on a smartphone

Game time: free

A fun and immersive experience in the heart of Aigues-Mortes.

GAMES 11
